Career Objective

I desire a career, which is always upward looking with the ample opportunities for growth. I seek to join the organization which can enhance my skills and develop my persona, while providing me the wide-ranging exposure and sufficient accountabilities.

Academic Chronicle

Qualification	Year of Passing	Name of Institute/ University	Result
M.S. Computer Science	pursuing	CSUSB San Bernardino	3.35 GPA
B.E. in Computer Engineering	JUNE (2014)	C. U. Shah College of Engineering & Technology (Gujarat Technological University)	8.56 CGPA
Intermediate (HSC)	MARCH (2010)	Ultra Vision Academy (G.S.H.S.E.B)	73%
Matriculation (SSC)	MARCH (2008)	Sanskar Kanya Vidyalaya (G.S.H.S.E.B)	79.38%

Technical skills & Interest

Operating System   : Windows (2008, 20010, 2012), Linux, Ubuntu

Languages   : C, C++, Python, Core Java, Advance Java Basic [J2EE, JSP/ Servlet, JDBC],   DBMS, .NET framework - C#

Frontend Technologies: HTML5, CSS, JavaScript, jQuery, Angular Js, Asp.net Core

Database,   : MYSQL, SQL SERVER 2012, 2014

Area of Interest   : Artificial intelligence, Cloud Computing, Networking, Information security, Machine Learning, Management, Leadership,

Projects Undertaken During Engineering and Master

I am pursuing Master in Computer Science I have taken courses and work on projects such as,
(1) Theory of Algorithm and Their Analysis
(2) Software engineering concepts
(3) Machine learning
(4) Artificial Intelligence
(5) Computation Complexity Theory
(6) Modern Computer Architecture
(7) Operating System Concepts

Project: Data Analysis on Hepatitis disease prediction Data Set

Tools: Worked on R 4.2.0**,** RStudio **(Using Machine learning and python)**

Description: I have worked on Background of Original study, Research question, Rmarkdown.html Attribute information, class distribution, methods and materials, Logistic Regression Classification, Different Plots and Model Comparison, Results, Discussion, conclusions.

Project: Travel Buddy App **(Software Engineering Concept)**
Tools: visual studio, python, Agile model, JAVA and J2EE, HTML, JAVASCRIPT, CSS
Description: I have worked on Travel Buddy App Analysis, UML Diagrams, Functional Requirements such as Travels module, Iternary module, Personal Guide Module, Recommendation module, Bank Activity module, Hotel Reservation module.

Project:	E-GREETING CARDS **(ASP .Net C#)**
Duration	1 year for Analysis, Designing, Developing and Testing.
Tools:	Microsoft visual studio 2010, SQL server 2008
Description	It was a web portal project, which was implemented in asp.net platform using C# programming language. Salient aim of this project was to share greetings, emotions, invitations and personal data in the form of Audio, video and Text messages along with tremendous security and privacy to relatives, individuals, and crony who are stay away at distance. There are many social ways such as Facebook, Instagram, Google+, Twitter and many more, but using this application have a spectacular experience. Similarly, this system reminds auspicious occasion, event, and festivals.

Professional Experience

Software Developer-(Felix Phase Technologies, Ahmedabad)   Dec 2019 - Dec2021

Felix Phase Technologies provides web development service to protect small to large scale Enterprise businesses. FelixPhase is an emerging company in South Bopal, Ahmedabad, Gujarat
Roles and Responsibilities:
  ➢ Accountable for working in the profile of the .net web Developer
  ➢ Experience working with various **HTML, CSS, Advance JavaScript, jQuery, Angular**.
  ➢ Strongly involved working with different **teams** to help and learn on any project related queries and provide them satisfied solution, **task discussion**, and **effective Client Communication.**
  ➢ Responsible to **treat and observe Freshers,** and **event management.**

.Net Developer - (Webweaver infotech, Ahmedabad)   June 2016 – Dec 2019

Web Weaver Infotech, promoted me as a Junior .Net developer that I was working with different **Asp.Net MVC application** in the profile of the .Net web developer, as well as in backend platform i became responsible for **database design and architecture**, writing **stored procedures** for the different business logic and user define function in **SQL server 2008/2014**.

.Net Developer - (Aellon Technology, Ahmedabad)   June 2014 – May 2016

Aellon Technology works on different Computer languages**.** I played responsibilities in **analysis**, gathering information through effective client communication, basic **designing** and started web developing in **HMS, HRMS, ERP, web Api** application with support of junior team developers.

Extra curriculum activities

• Attended seminar on **Ethical Hacking** at C.U. Shah College of Eng. And tech.
• Working as a Volunteer in **International youth activities 'Shashtipurti Festival**' in January 2013 at Sardar Patel Stadium, Ahmedabad as well as in college technical festival.
• Participated in **Tathya event (TEQNIX)** at L.D. College of engineering, **Felicific 13 Ideas, Trends and culture** at DDIT engineering College, and cultural events (Youth festival) in college.
• Attain **Virtual class training** (Distance learning) Organized by SVMR Randesan, Gandhinagar.

- Play role as a Computer Teacher in higher standard.

Personal Details

Name	: Bhuva Nilamben
Address	: 4787 Wadsworth Ct. Fremont, 94538, California.
Contact Number	: +1(341)-600-9378
Date of Birth	: 24th November 1992
Gender	: Female
Marital Status	: Single
Hobbies	: Internet Surfing, Solve Technical problems, Reading Spiritual and Inspirational Books, Playing chess and puzzles.

I hereby declare that the above-mentioned information is true to the best of my knowledge.
